Dear Mosinee Resident:

I hope that you are enjoying your summer and the great seasonal recreation opportunities that are available in our area! Greetings from Ward 4! Three of the City's drinking water wells and the Water Treatment Plant that serves the west side of the City are located within Ward 4 along with Central Park & Creske Park.

First, I would like to introduce myself. My name is Thomas Helbach - Alderperson (Ward 4). I am a life-long resident of Mosinee and I'm currently employed as a Commercial Insurance Advisor for Ansay & Associates which has an office located in the Central Wisconsin Business Park.

In Central Wisconsin Business Park development news, Transport Refrigeration is nearing completion of the construction of their new facility located on Indianhead Drive. Quast Consulting & Testing has completed construction of their building addition on Indianhead Drive and Greenheck Fan Corporation is nearing completion of their building addition on South View Drive. Wisconsin Mechanical Solutions is progressing with the construction of their new facility located on Indianhead Drive.

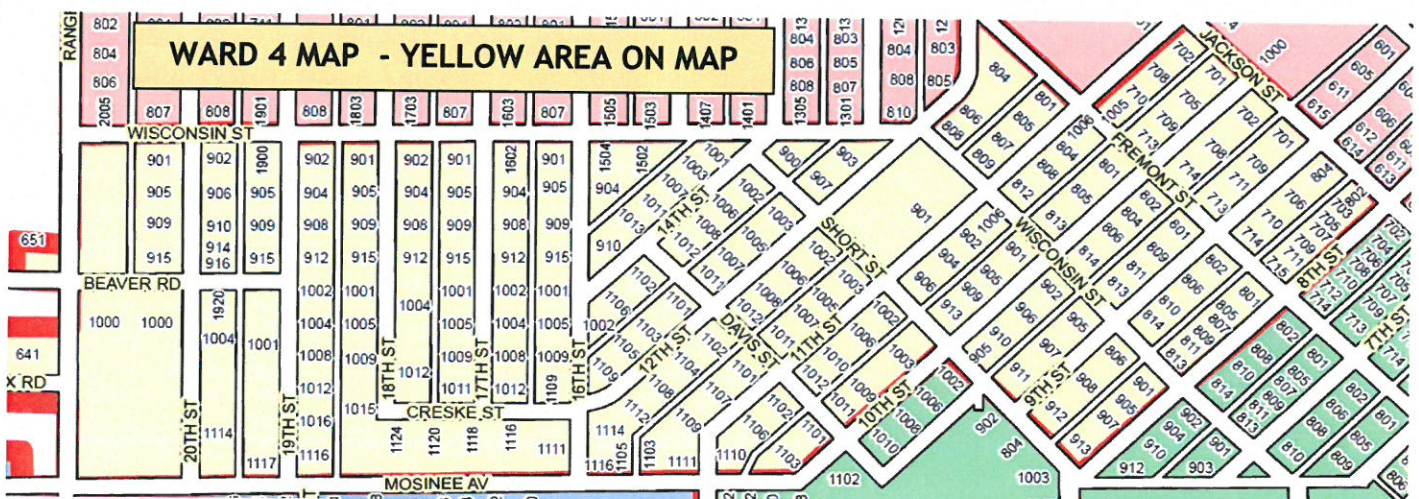

In other City economic development news, the Mosinee Brewing Company is hoping to open the tap house area of their building in September. The official groundbreaking for the new Casa Mezcal Mexican restaurant took place on August 1st and they are hoping to open the new restaurant in November. Both new businesses will complement the existing businesses that have invested in our downtown area.

Don't forget to enjoy the Little Bull Falls LogJam Festival that will be held in River Park from August 10th-12th and the 31st Annual Mosinee Alumni Softball Tournament that will be held at the Recreation Center Park on August 17th - 19th.

I would like to encourage all residents and businesses to become informed of YOUR local government's activities by either attending a Council meeting (held at 7:30 PM on the 2nd Monday of the month) or you can also view videos of the past Council meetings on the City's web site (mosinee.wi.us). The same agenda information packets that are provided to the Council are also available for your review on the City's website.

I appreciate the opportunity to introduce myself and to provide you with an update. Have a great rest of summer!

Thomas Helbach - Alderperson
