

December 2020

Automated Refuse & Recycling Collection Starts January 6th, 2021

The City of Mosinee recently contracted with Harter's Fox Valley Disposal to provide automated refuse and recycling collection starting January 2nd, 2021. City residents will soon be receiving one 95-gallon refuse cart and one 95-gallon recycling cart per residential unit. These carts will be delivered during the week of December 28th and the carts will be placed in the location where they will be collected each week.

We anticipate that your collection location will remain where you currently place your containers; with the exception that the collection site may need to be relocated if the garbage truck's mechanical arm grip cannot empty the container into the truck due to low overhead trees or electrical wires.

Residents will not be directly charged for the carts but are expected to take care of the containers so they last. Please contact City Hall if you have any issues with your new cart.

All residential refuse and recycling will need to fit inside your 95-gallon cart with no overflow. If you have additional garbage you will need to contact Harter's and pay an additional fee for refuse in excess of the 95-gallon cart.

The City will be holding 3 informational meetings. Residents are encouraged to participate and ask any questions you may have:

Thursday, December 17th 1:00pm - Virtual Only - Via Zoom Video/Audio

Welcome to your trash and recycle cart!

In an effort to keep our communities clean and create more efficient collection routes, your municipality is moving to automated trash and recycle collection using new carts. The lidded cart keeps materials dry and from blowing out on windy days. The carts are also designed to easily roll to the street or road. Further, the automated collection system increases the level of safety for route drivers. Please make sure you are placing your carts out where they were dropped off for delivery.

Do I now have a new pick up schedule and when can I start using my carts?

You may have a new service day, please refer to the map provided to the City of Mosinee. Service days are Wednesday, Thursday and Friday. The first day of service will be Wednesday, January 6th 2021.

(1) 95-gallon trash cart (blue cart with BLACK lid)

(1) 95-gallon recycling cart (blue cart with GREEN lid)

Can I place my recyclables in plastic bags?

NO, DO NOT place recyclables in plastic bags or put bags-of-bags in your cart. For information on local grocery and retail stores that accept shopping bags and other stretch film plastic for recycling, go to <https://cwrecyclingcollective.com/>

What should I do if my trash and recycle does not fit in my cart?

- Save them for your next collection day.
- Ask a neighbor if they have extra room in their cart for your trash or recycle.
- Call Harter's to rent an additional trash or recycle cart for a yearly fee.

Can I take my carts with me if I move?

No. Each cart should stay with the property. These carts are the property of Harter's, for cart repair or rental of additional cart; please call (715) 446-5400 or (888)804-8556.

How do I set my cart out on collection day?

Place your cart curbside before 6:30 am the day of collection, with the cart's handle facing your house and the lid opening toward the street. All solid waste MUST be bagged. Make sure there is at least four feet between the recycling and trash carts, and any other objects, such as a parked car or mailbox. Note, if your carts were set out late, you must wait until your next scheduled pick-up.

What if there is a snow bank?

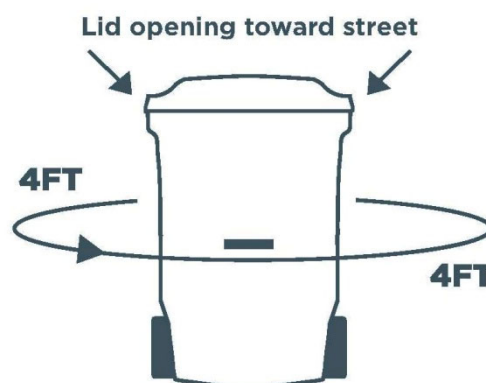

In the case of snow, if your cart will not fit in your driveway opening, then you will need to clear an opening in the snow bank where the cart can be properly placed. Carts cannot be placed on top of the snow bank or in the road. Improperly placed carts will not be collected.

What if I have items that don't fit in my cart?

Large Household items will be collected on every other week at the expense of the resident. Pricing for these large household items are as follows Furniture (i.e. couch, table, dresser, bed frame, mattress, box spring, bike, push mower(no gas/oil), toilet, sink), Electronics (i.e.... stereo, printer, monitor, CPU tower) or Non-Freon Appliances (i.e. stove, microwave, washer, dryer, compactor, dishwasher, humidifier, water heater, water conditioner) will be \$40.00 per item and Freon Appliances (i.e. refrigerator, dehumidifier, freezer) and TV's will be \$60.00 per item. Residents are to call Harter's at (715) 446-5400 or (888)804-8556 to schedule their large item pick up, payment is required before pick-up. The cut off will be 2:00 p.m. the day prior to pick-up day.

How do Holiday's affect my pick-up?

Holiday collection will be delayed one day, if the Holiday is on a weekday before your pick up day. Holidays are New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas Day.
