Automated Collection – Refuse and Recycling Carts – Information

In an effort to keep our communities clean and create more efficient collection routes, the City of Mosinee is moving to automated trash and recycle collection using new carts. The lidded cart keeps materials dry and from blowing out on windy days. The carts are also designed to easily roll to the street or road. Further, the automated collection system increases the level of safety for route drivers. Please make sure you are placing your carts out where they were dropped off for delivery.

Do I now have a new pick up schedule and when can I start using my carts?

You may have a new service day, please refer to the map provided previously by the City of Mosinee. The map is also available on our City website. Service days are Wednesday, Thursday and Friday. The first day of service will be Wednesday, January 6th 2021. (1) 95-gallon trash cart (blue cart with BLACK lid), (1) 95-gallon recycling cart (blue cart with GREEN lid)

Can I place my recyclables in plastic bags? NO, DO NOT place recyclables in plastic bags or put bags-of-bags in your cart. The City of Mosinee has a recycling box inside City hall for plastic bags.

What should I do if my trash and recycle does not fit in my cart?

Save them for your next collection day, Ask a neighbor if they have extra room in their cart for your trash or recycle, or call Harter's to rent an additional trash or recycle cart for a yearly fee.

Can I take my carts with me if I move? No. Each cart should stay with the property. These carts are the property of Harter's, for cart repair or rental of additional cart; please call (715) 446-5400 or **(888)804-8556**.

How do I set my cart out on collection day? Place your cart curbside before 6:30 am the day of collection, with the cart's handle facing your house and the lid opening toward the street. All solid waste MUST be bagged. Make sure there is at least four feet between the recycling and trash carts, and any other objects, such as a parked car or mailbox. Note, if your carts were set out late, you must wait until your next scheduled pick-up.

What if there is a snow bank? In the case of snow, if your cart will not fit in your driveway opening, then you will need to clear an opening in the snow bank where the cart can be properly placed. Carts cannot be placed on top of the snow bank or in the road.

Improperly placed carts will not be collected.
