**January 2025**

## **CITY ADMINISTRATOR REPORT**

Jeff Gates, City Administrator

It is with both gratitude and admiration that the City recognizes the retirement of Kevin Breit, after 33 years of outstanding service as the Director of Public Works for the City of Mosinee. Throughout his tenure, Kevin has been an invaluable leader, driving numerous transformative projects that have improved the quality of life for our residents and helped shape the future of our great community.

Under Kevin's leadership, the City achieved notable progress in enhancing the quality of our drinking water, highlighted by the construction of a new water treatment system for the west side, and the successful execution of a comprehensive Lead Water Service Line Replacement Program. One of Kevin's most significant achievements was overseeing the transfer of the City's wastewater

treatment system to the Rib Mountain Metropolitan Sewerage District, ensuring a more efficient and cost-effective approach to wastewater management while positioning the City for future growth. Kevin's commitment to enhancing our streets and roadways has also been evident in the many successful street improvement projects completed under his direction, helping to ensure that our infrastructure remains resilient for years to come.

Kevin's leadership, expertise, and tireless dedication have set a high standard for public works in our city. Kevin leaves behind a legacy of progress and innovation, with many of his accomplishments continuing to benefit our community for years to come. The City extends our heartfelt best wishes to Kevin as he embarks on his well-deserved retirement!

I would like to encourage all residents and businesses to play an active role in your community by discussing any matter you feel should be addressed by your local government, with a City Council member or myself. Please stay updated by visiting our local government website and our municipal Facebook Page for additional information and updates pertaining to your local government.

MOSINEE

## January 2025

### STREET PARKING RESTRICTED

Parking is not allowed between the hours of 2:00a.m. and 6:00a.m. on any street or highway from November 1 to April 1 in the City of Mosinee. For more information, please contact the Mosinee Police Department – 715-693-2000

### NOTICE – DOG/CAT OWNERS

Dogs and Cats are required to be licensed by March 31<sup>st</sup>, 2025. The license period runs from January 1<sup>st</sup>, 2025 to December 31<sup>st</sup>, 2025. State law requires that all dogs must be licensed yearly AND City ordinances require cats to be licensed yearly. Before a license can be issued, you must furnish a rabies vaccination certificate to show proof of vaccination against rabies.

### WATER LEVELS ON THE MOSINEE FLOWAGE

From time to time, Ahlstrom – Mosinee mill needs to lower water levels on the north side of the Mosinee dam to make repairs to the dam. Ahlstrom – Mosinee mill has established an email list to notify residents when this will occur. Any residents wishing to be included in the email notification list may email Andy Cychosz at: [andy.cychosz@ahlstrom.com](mailto:andy.cychosz@ahlstrom.com).

### Recycle Christmas Lights

Habitat for Humanity of Wausau is collecting Christmas lights. Every year tons of light strings are thrown away and end up in landfills across the country. Habitat for Humanities collects all kinds of light strings – old or new, working or not. Worn out extension cords are also collected. Habitat for Humanities recycles the copper and plastic from the strings and uses the proceeds to assist low-income families in our community. **A drop box is available at City Hall – 225 Main Street.** For more information please call City Hall – 225 Main Street or HFH at 715-848-5042.
