Recycle Electrical Cords & Christmas Lights

Habitat for Humanity of Wausau is collecting Electrical cords and Christmas lights. Every year tons of light strings are thrown away and end up in landfills across the country. Habitat for Humanities collects all kinds of light strings – old or new, working or not. Worn out/cut extension cords are also collected. Habitat for Humanities recycles the copper and plastic from the strings and uses the proceeds to assist low-income families in our community. **A drop box is available at City Hall – 225 Main Street.** For more information please call City Hall – 225 Main Street or HFH at 715-848-5042.
