FALL LEAF COLLECTION SCHEDULE

Leaf collection this year will again be accomplished by baling of the leaves/pine needles that are placed in the street. The City will be contracting with a custom baler to collect the leaves/pine needles. Baled leaves will then be hauled away by the Contractor.

Leaf collection will begin on October 28th. Residents who want their leaves picked up must have them raked into the gutter or onto the street by 7:00am on October 28th. **Public Works staff will not rake leaves out of ditches or off the curb for pickup.** For the equipment to do the best job of leaf collection rake leaves away from the curb approximately 1-2 feet. Leaves that are on the street will be picked up. Baling operations are scheduled to be completed in 2 days. The City's street sweeper will clean up any remaining leaves after baling is finished. Please keep in mind that street sweeping is a slower process, so it may be a couple of days after baling before the streets are swept.

Leaf collection will only be done once. **Do not place any leaves on the street after the collection equipment has passed.** Any leaves remaining after the collection equipment has passed can be disposed of at the yard waste site on Fremont St.

DO NOT deposit rocks, sticks, brush or garden waste in the leaf piles as these items will damage the leaf collection equipment. Any leaf piles found that contain these materials will not be picked up.

Leaves and other yard waste may also be disposed of at the Yard Waste site on Fremont Street. Residents are reminded that brush is **NOT ALLOWED** at the yard waste site. Brush will not be picked up for persons clearing lots. Brush is picked up the week of the third Monday of each month. If you deposit brush, stumps, trees or other unacceptable garbage at the yard waste site you will be subject to fines. If you have brush for disposal call the Public Works Dept. at 715-693-3840 and leave your name and address.
